

Amazing Value for Money with Kensington Custom Design and Build

7 Good Reasons Why to Use Kensington

1 What do Kensington Do?

Kensington is a Thai construction company, who can help you design/build your own home. They build houses of all styles, sizes and budgets; from bungalows to large luxury houses. They help you every step of the way from initial architectural design, application for permission to build, all the way through to final construction of your home.

2 How much does it cost?

Every home cost is different according to architectural drawings, specifications of the house, size and materials chosen by the customer. Industry costs to build homes vary according to what you are building. Kensington help you with your budget and give advice on how to save money where you can. They give a guide cost based on preliminary design and discussions. Once architects drawings are finished and they know all your choices of materials, they then provide a "FREE - No Obligation" accurate quotation.

3 Are Their Prices Competitive?

Yes, very much so. Kensington's prices are some of the lowest in the market place for the service provided, excellent quality of work and homes they build. Kensington is almost unique in Thailand, for what they do and the service they offer.

4 What are the Benefits of using Kensington?

The benefits of Kensington's home build service are many. As a company, they are second to none for integrity. They do what they say they do. They also keep to their word and act on their guarantees! They help you avoid all the many pitfalls, problems, inferior quality and bad workmanship that are common in the building industry; and in the overall long run, help you avoid the many associated problem costs that do regularly occur in building a home. They save you money, time and hassle!

5 Awards?

In May 2008 a Kensington Design and Build of 'The Villa Water Orchid' boutique hotel won the Hottest 100 Asia Hotels Conde Nast Award. Their builds have featured in many national and international magazines.

6 What guarantees do they offer?

Every home built by Kensington when finished comes with a guarantee that they act on. During construction stage Kensington provide FREE of charge building insurance to the customer in their name. Kensington also provide every customer, with one of the most comprehensive building contracts in the market. It clearly lays out everything agreed and provides super legal protection to every customer.
